"AN ACT CONCERNING ECONOMIC DEVELOPMENT AND JOB CREATION."

- 1 Strike section 2 in its entirety and insert the following in lieu thereof:
- 2 "Sec. 2. Section 4-168a of the general statutes is repealed and the
- 3 following is substituted in lieu thereof (*Effective October 1, 2007*):

4 (a) As used in this section:

5 (1) "Agency", "proposed regulation" and "regulation" shall have the
6 same meanings as provided in section 4-166; and

7 (2) "Small business" means a business entity, including its affiliates,
8 that (A) is independently owned and operated and (B) employs fewer
9 than fifty full-time employees or has gross annual sales of less than
10 five million dollars, provided that an agency, in adopting regulations
11 in accordance with the provisions of this chapter, may define "small
12 business" to include a greater number of full-time employees, not to
13 exceed applicable federal standards or five hundred, whichever is less,
14 if necessary to meet the needs and address specific problems of small
15 businesses.

16 (b) (1) Prior to the adoption of any proposed regulation on and after
17 October 1, 2007, each agency shall prepare an economic impact
18 analysis that identifies the impact of (A) the regulatory action may
19 have on small businesses, including an estimate of the number of small
20 businesses subject to the proposed regulation, the projected costs,
21 including reporting, recordkeeping and administration, and other
22 costs required for compliance with the proposed regulation, and (B)
23 employing undocumented immigrant aliens.

24 (2) Prior to the adoption of any proposed regulation, [on and after
25 October 1, 1994,] each agency shall prepare a regulatory flexibility
26 analysis in which the agency shall, where consistent with public
27 health, safety and welfare, consider utilizing regulatory methods that
28 will accomplish the objectives of applicable statutes while minimizing
29 adverse impact on small businesses. The agency shall consider,
30 without limitation, each of the following methods of reducing the
31 impact of the proposed regulation on small businesses:

32 [(1)] (A) The establishment of less stringent compliance or reporting
33 requirements for small businesses;

34 [(2)] (B) The establishment of less stringent schedules or deadlines

35 for compliance or reporting requirements for small businesses;

36 [(3)] (C) The consolidation or simplification of compliance or
37 reporting requirements for small businesses;

38 [(4)] (D) The establishment of performance standards for small
39 businesses to replace design or operational standards required in the
40 proposed regulation; and

41 [(5)] (E) The exemption of small businesses from all or any part of
42 the requirements contained in the proposed regulation.

43 (c) Prior to the adoption of any proposed regulation that may have
44 an adverse impact on small businesses, each agency shall notify the
45 Department of Economic and Community Development and the Office
46 of the Business Advocate of its intent to adopt the proposed regulation.
47 [The Department of Economic and Community Development] Said
48 department and office shall advise and assist agencies in complying
49 with the provisions of this section.

50 (d) The requirements contained in this section shall not apply to
51 emergency regulations issued pursuant to subsection (c) of section 4-
52 168; regulations that do not affect small businesses directly, including,
53 but not limited to, regulations concerning the administration of federal
54 programs; regulations concerning costs and standards for service
55 businesses such as nursing homes, long-term care facilities, medical
56 care providers, day care facilities, water companies, nonprofit 501(c)(3)
57 agencies, group homes and residential care facilities; and regulations
58 adopted to implement the provisions of sections 4a-60g to 4a-60i,
59 inclusive."

60 After the last section, add the following and renumber sections and
61 internal references accordingly:

62 "Sec. 501. (NEW) (*Effective from passage*) No municipality is
